## Want Territorial Integrity of Albania Guaranteed

ALEXANDRIA, Egypt, June 7  
(UP)—Former King Zog of Albania urged the Western powers today to guarantee the territorial integrity of that tiny nation he once ruled and so encourage the people to step up their fight against the present Communist regime.

Zog made his statement in an interview that followed reports of widespread unrest in Albania against the Communist Government led by Gen. Enver Hoxha.

The former King said a guarantee of territorial integrity by the United States, Britain and France would be of paramount importance in the Albanian struggle to oust the Tirana Government. Zog's statement was made because of reported fears of Albanian patriots that in the event of a full civil war between the royalist partisans and Communist Government soldiers Yugoslav and Greek troops might be tempted to cross the frontier.
